OBJECTIVE

Motivated Computer Science undergraduate with strong technical and problem-solving skills, seeking opportunities to leverage my expertise in web development and programming languages to contribute effectively to innovative projects.

EDUCATION

B.Tech in Computer Science and Engineering

Aug 2023 – Aug 2027

Guru Gobind Singh Indraprastha University

Current CGPA: 9.27

Higher Secondary, 12th

2023

Greenfields public school

Percentage: 85%

SKILLS

Programming Languages:

C, C++, JAVA, HTML, CSS, JavaScript

Technical Skills:

Web Development, Data Structures and Algorithms (Basic)

Soft Skills:

Problem-Solving, Team Collaboration, Time Management

Languages:

English (Fluent), Hindi (Fluent), French (Basic)

PROJECTS

GiveLife – Organ Donation & Matching Platform:

Designed and developed a full-stack web platform for organ donor-recipient matching using Artificial Intelligence. A digital platform to streamline organ donor registration and recipient matching, enhancing efficiency in life-saving transplants. Integrated secure data handling, real-time matching algorithms, and user-friendly interfaces for donors, recipients, and medical staff.

Expense Tracker Website

Designed and implemented a responsive website to track and manage personal expenses using HTML, CSS, and JavaScript. Focused on creating an intuitive and user-friendly interface to simplify expense management for users.

Glide Gazer – 2D Game (Flappy Bird-Inspired):

Developed a side-scrolling arcade game using Python and Pygame for a college hackathon. Implemented obstacle generation, collision detection, and smooth player controls with custom game physics.

EXTRA-CURRICULAR ACTIVITIES

- Participated in hackathons such as Build with India, Manthankriti, and DTC-hacks etc. Gaining hands-on experience in collaborative and fast-paced environments.
- Attended Workshops based on Web developments, Data Analytics etc.
- Engaged in web development projects, enhancing technical proficiency and teamwork capabilities.

HOBBIES

- Music
- Drawing
- Interacting
